

Building Regulations CPD seminar Southampton, 27 Sept

Fire Safety

Regulations Overview & Post Grenfell Update

Following the publication of the Hackitt Report and the ongoing enquiry into the Grenfell disaster, fire safety regulations are at the forefront of the industry.

This seminar will review the proposals of the Hackitt Report and provide an overview of government consultations regarding fire safety.

Importantly it will also cover the legislative requirements currently in place, and the implications for surveyors and designers, including some of the current issues for product specification.

The speaker is Colin Blatchford-Brown, a regular presenter on Building regs with over 25 year's experience in the industry.
